Lifetime Warranty Purchase Yes No

This warranty guarantees the original purchaser that the specified product is free from defects in materials and workmanship for a period of seven years. The manufacturer will repair or replace (at its discretion) any product that fails to conform to this warranty. All warranted products must be used in accordance with the manufacturer's instructions and for the purpose designed and intended. Any modifications, alterations, adverse environmental conditions (fire, flood, etc.) or attempted repair will void the warranty. Warranty is valid only for the original owner of the specified product.

Any product believed to be in need of warranty service must be returned to Classic Instruments for evaluation and testing.

Based on the results of these tests and current product availability, the product may be repaired or replaced at the sole discretion of Classic Instruments. Owner is responsible for all charges relating to removal / installation of warranted products and all shipping and handling charges relating to returned warranted products.

Upon purchase of the lifetime warranty the buyer agrees to the conditions stated above. For questions regarding warranty or product please call **1-800-575-0461**.
